BIOGRAPHY

EN

Subtle. Intense. Mysterious.

Swiss artist ANIKK captivates her audience with a voice that is both delicate and deeply moving. What may seem deceptively subtle at first unfolds into an intense, immersive experience that lingers long after the music ends.

Every note is a glimpse into her inner world, carried by expansive soundscapes and driven by pulsating electronic beats that define her distinctive pop style.

Recent highlights include support performances for Sophie Ellis-Bextor and Sophie and The Giants, where she could share the stage with international artists.

With her unique presence the Graubünden-born artist is rapidly establishing herself as one of the most compelling emerging talents in the Swiss music scene.

DE

Unscheinbar. Intensiv. Geheimnisvoll.

Die Schweizer Künstlerin ANIKK zieht ihr Publikum mit einer unverwechselbaren Stimme in den Bann, die zart und tief berührend ist. Was zunächst unscheinbar wirkt, entfaltet sich beim Zuhören zu einer intensiven, fast mesmerisierenden Erfahrung, die noch lange nachhallt.

Jeder Ton ihrer Stimme ist ein Hauch ihrer tiefgründigen Innenwelt, getragen von sphärischen Klanglandschaften und treibenden elektronischen Beats, die ihren einzigartigen Popstil prägen.

Zu ihren aktuellsten Highlights zählen Support-Auftritte für Sophie Ellis-Bextor und Sophie and The Giants, bei denen sie die Bühne mit internationalen Künstlerinnen teilen durfte.

Die junge Bündnerin etabliert sich damit als aufstrebendes Talent der Schweizer Musikszene.

ANIKK - Voices

Bündnerin mit internationalem Potential
Schon lange gab's keine Schweizer Künstlerin mehr, die international aber so was von mithalten kann, wie ANIKK. Die 23-jährige Electronic-Pop-Künstlerin aus Graubünden versteht es wie kaum jemand anderes in der Schweiz, wie man neue Popmusik macht, die das alte 80er-Flair trotzdem behält. Für mich die weibliche Schweizer-Version von "The Weeknd". Prädiakt: SEHR empfehlenswert!

mx3 – alle für einen: Das ist ANIKK und wer bist du?

«Tgi eis ti?», so kommt der Ruf aus den Bergen. Die Bündner Künstlerin ANIKK fragt dich: «Wer bist du?» und bringt damit gleich unseren neuen Sommer-Sound. Unter dem Motto «Alle für einen» pushen die SRG-Radios SRF 3, Rete 3, RTR und Couleur 3 monatlich einen Song – entdeckt auf mx3.ch.

ANIKK, originaria de Grisons, Suiza, ha desarrollado un estilo musical que conecta directamente con las emociones más profundas del oyente. Su voz, suave y ensoñadora, actúa como un puente entre su mundo interior y quienes la escuchan. En "Lose Control", logra una mezcla efectiva de melancolía y energía, generando una tensión emocional que se siente tanto en los pasajes más delicados como en los más intensos. Su talento para transmitir sentimientos auténticos, tanto en estudio como en vivo, la posiciona como una figura en ascenso dentro del pop alternativo europeo.
